

City Gate Needs:

Ongoing:

- Bulk sugar
- Bulk oatmeal
- Napkins
- Forks and spoons
- Coffee
- Powdered creamer
- Large garbage bags (there is a specific size and type I will find out)

Clothing Etc.

- Mens Jeans
- Women's jeans
- Warm gloves (men's and women's)
- Socks
- Warm coats and sweatshirts (men's and woman's)

Group jobs needed:

- We need a group of volunteers and a resource with a dump trailer. We are long overdue and have a lot of junk and garbage left by past tenants that need to be hauled away. In the past we have had to rent a trailer and find someone with a truck. We don't have the staff to do this.
- There is always cleaning, maintenance and painting throughout the building and apartment. Cleaning and painting crews are an ongoing need.
- Looking for someone to haul cardboard to the recycling center every couple of weeks or when available.

Other Needs:

- Bus passes
- Desperate need of an updated security camera system for the apartments. The current one is not functioning.
- Large rice cooker
